Town of Bartlett, New Hampshire
ANNUAL REPORT 1997

The front cover of this year's Town Report is another first for Bartlett - it's in color! Roger Marcoux donated this once in a lifetime picture of the Hale-Bopp Comet over the Stanton Farm. This photo was taken within one hour of perihelion (closest approach to the sun) on April 1, 1997 by Mr. Marcoux of Bartlett, NH and was featured on the front page of The Boston Globe on April 26, 1997.

The Stanton Farm has undergone many changes over the years similar to other symbolic landmarks in town. Once a thriving working farm, the homestead was built in the 1800's by William and Julia Mouliton Stanton who had two sons, Woodbury and Alley. After their parent's death, Woodbury or "Woody" wanted to keep the farm, but Alley wanted to move out west which he did, leaving Woody to take over the farm. Woody built another farmhouse up on the hill which he rented out. Around 1936, Woody built one of the first ski areas in the state, a rope tow powered by a Model T engine and an addition was built on the hillside farm house which served as a ski lodge. Woody married Elizabeth Knight and they had four daughters. The family ran the farm until Woody's death in 1943. Gertrude, the youngest daughter, inherited the property and married Sanford Trecarten. They had one son, Dale, who inherited the property and sold it in 1986, when the developers named the area Stillings' Grant, the name by which the area is known today.

Special thanks to Roger Marcoux for the photo and to Attitash Bear Peak who graciously paid the extra cost for the color reproduction to appear on the cover. Also, thanks to Dale Trecarten for providing the history of the property.

1998 TOWN MEETING WARRANT

To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in said State, qualified to vote in the Town affairs: You are hereby notified to meet in the Town Hall in said Bartlett on Tuesday the tenth day of March 1998 at eight o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 will be by official ballot at the Town Hall and the polls shall open for balloting at eight o'clock in the forenoon and shall not close before seven o'clock in the evening. The following articles (Articles 2-21) in the warrant will be acted upon on Thursday, March 12, 1998 at six thirty o'clock in the evening at the Josiah Bartlett Elementary School in Bartlett Village.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of \$98,000.00 to finish closing the old Garland Landfill and to authorize the issuance of not more than \$60,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Selectmen favor.

ARTICLE 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen favor.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for town road improvements and reconstruction. Selectmen favor.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$55,500.00 to purchase a loader and to authorize the removal of \$25,000.00 plus accrued interest from the Loader Capital Reserve Fund. Selectmen favor.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$8,600.00 for the purchase of a hydraulically-driven, stainless steel sander for the highway department. Selectmen favor.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$26,000.00 for the purchase of a new white, marked, police cruiser and related communication equipment

and two video cameras. Selectmen favor.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 to upgrade the pump and purchase a deck gun to be installed on the fire department's Tank Truck #3. Selectmen favor.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the installation of a new telephone system at the Town Hall. Selectmen favor.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the Bartlett Athletic and Recreation Association in addition to the amount appropriated in the budget. Selectmen favor this year, but it is not intended to be a regular request.

ARTICLE 11. To see if the Town will vote to approve the establishment of a Trust Fund to be entitled the "Public Educational/Governmental Cable Television (PEG) Trust Fund" and direct that the funds derived from the State Cable TV Franchise Fees be placed in the Fund to support the local PEG channel activities until rescinded by voter action. The Trust Funds, at the discretion of the Selectmen, shall be distributed to support the activities of the nonprofit PEG organization, Valley Vision, for the benefit of the community. Agreeable to a petition signed by Peter Pelletier and others. Selectmen oppose - this represents a \$30,000 loss of revenue to the town and we do not feel the benefits equal the cost.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$1,694.00 for the support of the Mount Washington Valley Economic Council. Agreeable to a petition signed by Kathryn Nealley and others. Selectmen oppose.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$1,823.00 to defray the expenses of the service programs and operating costs of the Mt. Washington Valley Chapter of the American Red Cross who takes our Cares and Concerns and puts it into Action. Agreeable to a petition signed by Robert Boynton Jr. and others. Chandler/Patch oppose - not a proper use of town funds for national organizations; people should have an individual choice concerning donations to charitable organizations/Roode favors.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$4,769.00 for the support of the Gibson Center

for Senior Services. Agreeable to a petition signed by Maury Beaumont and others. Selectmen favor.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$2,700.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Vicki Varrichionne and others. Chandler opposes - Patch/Roode favor.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$6,930.00 for the Children's Health Center. Agreeable to a petition signed by Steve Miller and others. Selectmen oppose.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$2,326.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Terrie Kroger and others. Selectmen favor.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$650.00 for the support of Starting Point for providing crisis services to victims of domestic and sexual violence and their children. Agreeable to a petition signed by Karen Hebert and others. Selectmen favor.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$500.00 for support of operating expenses of the Eastern Slope Regional Airport Authority. Selectmen favor.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 to assist the Family Health Centre. Agreeable to a petition signed by Vicki Varrichionne and others. Selectmen oppose.

ARTICLE 21. To transact any other business that may legally come before said meeting.

Given under our hands and seals this thirteenth day of February in the year 1998.

Board of Selectmen:
GENE G. CHANDLER
RICHARD F. PATCH, SR.
DAVID W. ROODE

SELECTMEN'S REPORT

Yet another year has passed as Bartlett approaches the turn of the century, a one of a kind experience for most people.

Unfortunately the tax rate went up (4%) in 1997 but the upside is that Bartlett still has one of the lowest property tax rates in the State and with the diligence of elected officials and citizens working together, we can continue to make Bartlett an affordable community for all of our citizens yet still provide basic and essential services.

Both the Grand Summit Hotel and the new Fire Station have been finished and will be an asset to the community - one to provide property taxes and the other to provide safety. If you haven't checked out the new fire station, please stop by when you see any of the fire or ambulance crew there and you can take a tour.

We have been trying to close the landfill since 1990 when the Town opened its new Transfer Station. Closure plans got bogged down at the State due to a backlog there as well as a disagreement over which set of rules the Town needed to follow in order to close the landfill. The Town maintained it should close the landfill by the rules under which it was approved and opened back in 1989; the State maintained it should close under the current (and more stringent) rules. The Town also changed engineering firms in the last two years due to lack of performance and great expense of the original firm. Under the new engineer, the Town was able to negotiate with the State and finally come to an agreement and subsequent State approval for a closure plan on April 21, 1997.

The Town had approximately \$67,000 in Capital Reserve for closure of the landfill and voted to raise another \$57,000 at its annual meeting in March 1997 giving the Town \$124,000 for the closure. The budgeted amount for landfill closure was arrived at by the engineer and Selectmen based on information from the previous engineering firm that the cover material that the Town had already put out to bid in 1990 and on which the Town had a guaranteed price met the standards (approved by the previous engineering firm) for closure material. When the material was tested in 1997, it was found that in fact the material did not meet the criteria and we now needed to find a new source for this material as part of the closure plan. Since it was established that

the material on which we had a firm bid was not approvable as told to us by our previous engineer, the price for closure rose dramatically as no local sources could be found for approved material. The Selectmen searched and had material tested but the closest approvable material was found in Ossipee, NH, some 50 miles distant. Rather than risk the chance of having this material sold before we could entertain bids again and get Town Meeting approval for additional funds, as well as risk having to find approvable material even further away, the Selectmen used existing landfill closure funds to purchase the Ossipee material thereby insuring an approved source of material. Bids were subsequently received in December 1997 based on the Town owning the material and the low bid of \$165,900 (not including cover material) to complete the closure was submitted by M.E. Latulippe Construction of Ashland, NH and calls for completion in July 1998. Once completed, the Town will be applying for a State grant which is given to Towns who complete closure of their landfills in accordance with State regulations. To date the Town has expended roughly \$304,784 on closure of the landfill. An exact breakdown is difficult since some of the engineering expenses and other tests are combined with the Transfer Station and septage area as work in those areas was done simultaneously with work at the landfill. Unfortunately, our "Red Sox prediction" of last year ended up just the same as the Red Sox, but 1998 really is the year.

While initial hold ups with the 911 system completion were State related, the latest have been Selectmen related in trying to get the road names and changes ready. This is one case where our lack of timeliness will pay off as great strides and improvements have been made in the State mapping procedure and when we get the final maps, the product will be much better. The 911 system is in effect and should be utilized, it is only the numbering system that has not been completed. However, our emergency personnel are very familiar with the town so that locating properties with emergencies should not present any interim problems. It should be noted that the 911 number should only be used for true emergencies.

The road improvement program is moving along and the Selectmen have placed another article on the warrant to raise additional funds to continue this program. We still have a way to go but the repairs are noticeable and the road crew has done a good job stretching the money to get the most results. In order to stretch our funds as far as possible, in most areas we are

installing new culverts and extensive ditch work to promote adequate drainage and apply a leveling of hot top. While this does not produce as visually appealing look as machine-installed hot top, it does provide an adequate road surface for the speed limits our town roads are designed for. The important issue is to continue on a regular sealing program in future years to protect the road surface and keep water from penetrating the road bed. Some areas to be addressed this year will be Alpendorf, Linderhof, Holiday Ridge, River Road, Cobb Road, Saco Ridge and other areas that will be looked at after the winter snow subsides.

Health insurance for employees is always an expensive topic and it became even more so this year with a proposed 45% increase in premiums, representing a dollar figure increase of \$25,000. In addition to finding this tremendous increase unacceptable, it also hindered efforts to grant pay increases to employees. The Selectmen undertook the task of trying to lower these proposed costs by asking many companies to submit proposals for the town's health insurance. In addition, we met with the employees to discuss various options and asked for their input on the various plans that we received information on. The Selectmen have chosen to change plans and while the final figures are not in, it appears the town can save approximately \$15,000 comparing policy to policy. Not all of this savings can be shown this year as we will have at least three months under the old plan. While the new plan has a few variations from our current plan, basically the benefits to the employee are substantially the same.

Unless changes occur which alter the recent Supreme Court decision concerning school funding in NH, Bartlett and other towns throughout the State may be in for a real shocker when it comes to property taxes. A statewide property tax seems to be a favored approach to the Supreme Court ruling and this would have a devastating effect on Bartlett's taxes. Since we are looked on as a "property rich" community, the State would be collecting money from us and sending it to so-called "property poor" communities. If such a plan is enacted into law sometime in the next year or two, Bartlett's property taxes at a minimum would double and it's very realistic that the increase could be more than double.

With a new traffic light, new bridges, new fire station and many other changes in Town, Bartlett is slowly changing its identity from a sleepy New England hamlet to an ever-bustling,

fast-paced community. Hopefully we will never lose our sense of community and small town nature here in Bartlett, but we are approaching a crossroads. Due to the change in lifestyles, community spirit activism and especially volunteerism is fast becoming a thing of the past. Once we start looking to the Town and other forms of government for answers and funding, we lose the close knit fabric of the community. Please consider volunteering for one of the many positions available whether it be government, school, recreation association, scholarship committees, etc., and urge a friend or neighbor to come along, too. Together we are a community, apart we are just a place to live.

The Selectmen would like to thank all of those folks who did volunteer to serve the community in 1997 and a special thanks to all of our town employees who, no matter what the department, always rise to the occasion and perform above and beyond the call of duty.

It is always the Selectmen's goal each year to make Bartlett a little better place to live, raise a family, or retire and with everyone's help, we hope to continue that trend in 1998. Just think, in only two years we will be having a Town Meeting in March 2000.

Board of Selectmen:

GENE G. CHANDLER

DAVID W. ROODE

RICHARD F. PATCH, SR.

COMMISSIONER'S LETTER

Town of Bartlett
Board of Selectmen
RR 1, Box 49
Intervale, NH 03845

October 22, 1997

Dear Board of Selectmen; .

Your 1997 Tax Rate has been computed and set. The tax rate, its breakdown, the amount to be committed to the tax collector, and appropriations due other units of government, the amount of overlay, and the assessment used to calculate the tax rate are listed below as follows:

- Town Portion -

Appropriations	\$1,316,838		
Less: Revenues	720,388		
Less: Shared Revenues	5,254		
Add: Overlay	23,429		
War Service Credits	11,000		
Net Town Appropriation		625,625	
Municipal Tax Rate			1.61

- School Portion -

Due to Local School	3,353,699		
Less: Shared Revenue	18,530		
Net School Appropriation		3,335,169	
School Tax Rate			8.59

- County Portion -

Due to County	352,998		
Less: Shared Revenue	1,599		
Net County Appropriation		351,399	
County Tax Rate			0.91
Combined Tax Rate			11.11

Total Property Taxes Assessed	\$4,312,193
Less: Service Credits	(11,000)
Add: Village District Commitment	269,865
Total Property Tax Commitment	<u>\$4,571,058</u>

-Proof of Rate -

Net Assessed Valuation	Tax Rate	Assessment
388,136,205	11.11	4,312,193

AUDITOR'S REPORT

Board of Selectmen
Town of Bartlett
RR 1, Box 49
Intervale, NH 03845

Dear Board of Selectmen;

I have examined the books and accounts of all officers entrusted with the receipt, custody or expenditure of town funds on February 19, 1997 for the calendar year 1996.

I have examined these records to determine whether all revenues to which the town is entitled have been collected and remitted to the treasurer or verified as outstanding accounts; to determine whether all expenditures have been properly authorized, conform to law, and are supported by appropriate invoices and payroll; and examined the accounts of all town departments and agencies.

It is my opinion that the accounts are being kept in conformity with generally accepted accounting principles and I have no recommendations at this time.

Sincerely,
KATHLYN NEALLEY
Auditor

**NOTE: All of the above are cemetery trust funds in which the principals are commingled in a CD and interest is placed in a Money Market account and disbursed each year for perpetual care.
All funds are in the Bank of New Hampshire, Main Street, North Conway.
This total has been included on the MS-9.

BARTLETT PUBLIC LIBRARY REPORT 1997

The 1997 library circulation of books, periodicals, and audio-visuals was 12,941. Seven hundred ninety-eight books were added to the collection. This included 432 books purchased by the library, 227 books purchased by the school, 33 memorial books, and 106 books donated to the library. Mrs. Garland (librarian) attended two Five Rivers User's meetings (NHAIS); two Forum #1 meetings and two book selection meetings.

The library continues to access NHAIS, the New Hampshire Automated Information System, to search for materials in more than 200 New Hampshire libraries. It circulated 329 books to New Hampshire libraries and borrowed 72 books. It also accesses ARTICLE EXPRESS, a magazine service provided by the N.H. State Library, which faxes full-text magazine articles to libraries on the same day requested whenever possible. Another service provided by the library is a rotating video and audio tape collection purchased by the BearCamp Video Cooperative. This collection rotates through the participating libraries on a two-month cycle.

Our summer reading program "Take Us to Your Readers" was popular with the children. Stories and activities representing the themes "Rain Forests," "Outer Space," "Middle Ages," "Traveling West," "Deep Blue Sea," and "Dinosaurs" were held Wednesday mornings for six weeks. An ice cream party was held in August with awards and gift certificates presented to the reading participants.

Our library is continuing to sponsor the Birthday Book Club. Parents may purchase a book from our Birthday Box for twelve dollars as a gift to the library in honor of their child. A special book plate honoring the "birthday child" is placed on the inside cover of the book. Books in the Birthday Box are recommended Reading Rainbow books or books from a "best books for children" book list.

Our library has finally imported most of its collection into "Athena," our library's automation system, and has begun to use it to circulate materials. We currently are using two computers to operate this system. The computer on the front desk will be used to circulate materials and serve as an on-line catalog. The second computer is the server computer that operates

the system and will be used for systems administration, cataloging, etc. Our goal is to network the five school library computers to Athena making it possible to use the on-line library catalog at these stations. The next step will be to connect to the entire school network making it possible to access the library catalog from any computer in the school. Additional equipment is necessary to work the circulation system effectively. The first priority is a bar-code reader for the computer on the front desk.

Last year the school added a bank of five computers and a printer into the library. This computer set-up, containing three electronic encyclopedias and Wilson Reader's Guide Abstracts, is available to public library patrons when the school is not in session.

Currently Internet is not available in the library. The library receives requests for this service daily. It is to be hoped that the Bartlett Public Library will be able to provide this service in the near future.

Do plan to visit your library to see the new materials and check out our Athena automation system. Our goal is to serve all members of our community and to strive to meet the needs of our ever-changing society. Public library patrons are welcome to visit the library any time the school is open as well as during our public library hours:

Monday	2-5 7-9
Tuesday	2-5
Wednesday	2-5 7-9

THE BARTLETT HISTORY FUND

The Bartlett History Fund was established by the Bartlett Library Trustees following the Town's bicentennial in 1990. The purpose of the History Fund is to further the recording of the history of Bartlett and its vicinity. Profits from the sale of the Bartlett history book, *Bartlett, New Hampshire, In the Valley of the Saco*, and the sale of bicentennial memorabilia were set aside to establish the Bartlett History Fund.

The following guidelines for the Bartlett History Fund have been established:

- All monies received from future sales of the Bartlett History Books, bicentennial memorabilia, and any other project undertaken by the Trustees for the History Fund will go to the History Fund.
- The money is put into a separate account under the name "Bartlett History Fund."
- This fund may not be used for the Library budget. The Library may, however, use this fund to purchase books and material which relate to the history of the town and region which will then become part of the Bartlett History Collection which is being maintained in a special fireproof file cabinet.
- The money in the History Fund may be expended for historical projects, pictures, postcards, and other types of historical materials.
- The Bartlett Library Trustees must approve the above expenditures. Donations of materials and monetary gifts may be made to the Fund.

Cash on hand as of December 31, 1997 is \$8,654.79.

The Library has copies of its two histories, *Bartlett, New Hampshire: In the Valley of the Saco*, and *The Latchstring was Always Out: a History of Lodging Hospitality and Tourism in Bartlett, New Hampshire*, by Aileen Carroll, for sale; these books are also on sale in the local bookstores.

Anyone interested in working on a history project should contact the Bartlett Public Library Trustees with their proposal or call the Library at 374-2755.

BARTLETT PUBLIC LIBRARY PROPOSED BUDGET FOR 1998

Compensation

Librarian	\$9,500.00

Estimated Funds

Copier	250.00
TOTAL	250.00

TOWN APPROPRIATION	\$19,950.00
---------------------------	--------------------

BARTLETT POLICE DEPARTMENT REPORT

Changes. It seems that nothing remains static for very long. Just as soon as we become comfortable with our direction and employees something changes. This year found Officers Jon Hebert and Matt Ruel leaving for other opportunities in law enforcement. Officer Hebert, after five and one-half years as a patrolman and D.A.R.E. instructor, traded in his blue uniform for a brown one at the Carroll County Sheriff's Department and will become their criminal and traffic accident investigator. Officer Ruel, after spending nearly three years here and having his training geared towards juvenile services, is now employed by the Attorney Generals' Office in Maine working in their child protective services division. Difficult as it is to see highly trained and motivated officers seek other employment, we realize both officers saw the change as a positive step and advancement in their careers. We wish Jon and Matt the very best in their new jobs.

The leaving of those officers lead to the search and hiring of David Meyers and Joseph Marcello. Officer Meyers began his full time employment with a three month trip to the NH Police Academy where he graduated in November. He and his wife, Janet, reside in Rolling Ridge. Officer Marcello will be attending the police academy in April and is actively looking for a permanent residence here in Bartlett.

During the year we investigated several incidents of our elderly being "talked" out of their money. This was done by solicitors from out of state requesting money for a certain political ideology or candidate. If any one is uncomfortable with any solicitation, either in person, by mail or telephone, please contact us and we'll be happy to assist you.

We wish to thank the townspeople, board of selectmen and members of the other departments for their support this past year. It is with your input and insight that we are able to provide a level of service and a quality of personnel unequaled by many towns of our size throughout the state.

Respectfully submitted,
ROBERT M. SNOW, JR.

BARTLETT-JACKSON AMBULANCE SERVICE REPORT

In 1997 we responded to 322 calls for service, this is up 25 percent over last year.

In 1999 we will be looking to replace our ambulance with a new one. At that time ours will be 10 years old. Repairs and down time are getting more frequent. North Conway Ambulance has let us take one of their units on more than one occasion at no cost to the town. We will be going through the specification phase this year and presenting our request to the taxpayers next March.

Gordon Lang has retired this year from the ambulance service after 15 years of service to the towns of Jackson and Bartlett. Experienced personnel are very hard to replace in any organization. He will be missed.

We have now been in our new station for over a year. It's great! We have running water, real heat, meeting room and other amenities. If anyone has not been in the new station and would like to, please feel free to contact anyone on the Ambulance Service or the Fire Department for a tour. This is your station.

Our expenditures this year were more than I expected. With a 25 percent increase in calls, we were able to cover the costs. Some of the large items were:

Alternator	\$1,400.00
Batteries & Electrical	543.00
Payroll	700.00
Hand Held Oximeter	410.00
Pulse Oximeter Upgrade	1,145.00
Stair Chair	700.00
Suction Unit	564.00
Defibrillation Pads	400.00

This will be the third year in a row that the Ambulance Service budget comes to you at no cost to taxpayers. All Bartlett-Jackson E.M.S. members are proud of this fact.

As always, many thanks to the Fire, Police, and Highway Departments for their help over the past year.

JAMES CLEMONS, JR.
Director

BARTLETT FIRE DEPARTMENT REPORT

1997 was a busy year for the department, our calls were up this year with 161 calls for services, our second busiest year on record. We had 4 structure fires that were total losses this year due to the structures being fully involved before we were toned. We also responded to the first fatal fire in about 25 years. The fire fighters made some very good saves on the other 6 structure fires. Of the 161 calls this year 105 calls were handled by the Glen station, 22 by the village station and 34 calls were chief's calls.

Our move into the new station in late March went smoothly and all members were pleased with the layout and design of the station. The grand opening ceremony in June was a huge success with many citizens attending, a very nice day was enjoyed by all. This is a very nice station with many features built in to accommodate the department's needs for many years. Citizens are invited to come in and tour the station if you have not done so in the past.

As of this writing the department's roster stands at 29 personnel with only 4 members living in the village. We are in need of more members, especially in the village area. If anyone is interested in joining the department, please pick up an application at the Glen station or call the chief at 383-9555 at your convenience. No prior training is necessary and we will train you.

I feel I would be remiss if I did not mention the passing of fire fighter Tom Dunlap who passed away of cancer in August. Tom always kept us laughing and was a joy to have around, he will be missed by all.

I wish to thank all the elected officials, the police department, and the Bartlett/Jackson ambulance service for their assistance and support in 1997.

Respectfully submitted,
Chief, ROGER LABBE

BARTLETT ATHLETIC AND RECREATION ASSOCIATION 1997 ANNUAL REPORT

This past year BARA sponsored all three of Bartlett's Bambino Little League teams; the White Sox, Yankees and Black Hawks, and also the Babe Ruth teams. Bartlett has superb instructional league and farm teams that service a multitude of children from kindergarten up. Attitash Bear Peak has made available the use of their fields for our farm team and many donations were received to make this possible. Money, time, labor, and materials were given to make the ball fields and build back stops to enable all of our children to enjoy baseball. The girls' softball team was also included in BARA this spring. Can drives continue to raise much needed funds for these programs and also serve to involve the children and parents in supporting their teams. The Babe Ruth League held a strawberry shortcake sale on the Fourth of July to help fund their program plus each member made a donation to support the team. An open gym was scheduled as another new program last spring and will be held again this winter. BARA receives donations from helping with the Mud Bowl Tournament. BARA continues to pay dues to belong to the Carroll County Recreation Association. This guarantees us the opportunity of taking part in the annual soccer, basketball, softball, and bowling tournament as well as the summer fun day; it also pays entry fees. In addition, involvement with this association enables us to keep in contact with the other recreation departments in the area. We are seeking to expand these programs during 1998 and also add several programs for the elder citizens of Bartlett. We are also adding a men's softball league night to be held every Thursday at the precinct baseball field.

The Fourth of July also saw fund raising activities such as the cook-out after the parade and the BBQ at the Family Fun Festival. These were quite successful events financially as well as fun family activities.

BARA was able to bring the Red Cross swim program back to Bartlett during the summer months in addition to the very successful summer recreation program. A new drop-in program was added for teens one night a week during this time period. All of these programs are well attended and prove to be invaluable to the citizens of the town of Bartlett.

A huge undertaking new to BARA this year was the responsibility of the Town Christmas tree lighting ceremony. This not only requires hours of organization and many volunteers and donations, but also the funds to make it all happen. This year's event proved to be a huge success of which BARA is extremely proud.

We are asking the Town to appropriate additional funds to BARA for 1998. As you can see from the budget we ran at a deficit again this past year. This has been true for the past three years as costs continue to rise, expenditures increase, and the money appropriated stays the same. We have tried to keep expenses down and continually seek donations and volunteers. This year we added and expanded fund raisers as well as programs and activities. Also much needed insurance policies will be included as part of the expenditures.

Ongoing maintenance of the precinct ball field and town beach are a heavy financial burden. A carry in/carry out system of handling trash has been discussed for next year in lieu of traditional trash removal which has proven to be very expensive. The mowing of the ball field has been discussed and attempts are being made to minimize this expenditure also.

BARA needs extra funding to continue its work. We will continue to update you on our progress. We thank you for all your help and support as we strive to provide quality services for the citizens of Bartlett.

Sincerely,
DAVID WILSON, President
KAREN JUNGE-DENNISON, Vice President

1997 TOWN MEETING MINUTES

Moderator Robert Clark opened the Annual Town Meeting by opening the polls at the Town Hall on Tuesday, March 11, 1997 at 8:00 AM by reading the following:

To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in said State, qualified to vote in the Town affairs: You are hereby notified to meet in the Town Hall in said Bartlett on Tuesday the eleventh day of March 1997 at eight o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Articles 1-2 will be by official ballot at the Town Hall and the polls shall open for balloting at eight o'clock in the forenoon and shall not close before seven o'clock in the evening. The following articles (Articles 3-29) in the warrant will be acted upon on Thursday, March 13, 1997 at six-thirty o'clock in the evening at the Josiah Bartlett Elementary School in Bartlett Village.

We hereby certify that we posted a like copy of said Town Warrant and Budget on February 24, 1997 at the Post Offices in Glen and Bartlett; at the Town Hall in Intervale (Bartlett) and the Josiah Bartlett Elementary School (the places of meeting), all being public places within the said Town of Bartlett, New Hampshire. Board of Selectmen: Gene G. Chandler, Richard F. Patch, Sr., David W. Roode.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. Are you in favor of adoption of AMENDMENT NO. 1 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: To amend Article V Height Limitations to change (as shown in underlined capital letters) the last sentence only to read: (DELETE the first words (Excluded from)) "The height limitations of radio and television antennas, silos for storage of feed crops, church towers, cupolas, water storage structures, chimneys, radio towers, TELECOMMUNICATIONS TOWERS, ski area tramways, flagpoles, or ski area crash fences and any other similarly slender, unoccupied structures SHALL NOT EXCEED 60 FT. IN HEIGHT FROM THE LOWEST POINT OF FINISHED GROUND LEVEL EXCEPT BY OBTAINING A SPECIAL EXCEPTION UNDER ARTICLE XVIII-D-1-u."; and add to Article XVIII Zoning Board of Adjustment Section D-1 provision "u. Unoccupied Structures - a deviation from the height requirement in all districts."

Moderator (1 year) - Robert Clark = 396 *

444 Ballots Cast [* denotes winners]

Moderator Clark then opened the deliberative portion of Town Meeting on Thursday, March 13, 1997 at 6:35 PM at the Bartlett School. Scout Chris Greenwood led the Pledge of Allegiance. Moderator Clark then asked for a moment of silence in memory of Judge William Paine, the town's previous moderator, who passed away last December and to whom this year's town report is dedicated.

(Approximately 90 people present)

ARTICLE 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen favor. Motion was made by Selectman Gene Chandler, seconded by Selectman Richard F. Patch, Sr. to accept the amount of \$1,027,834.00. Chandler reviewed the budget item by item. Chandler stated that the

budget included wage increases of \$0.40 per hour for hourly employees and \$800 per year for salaried employees as well as a change in the Health Benefits plan. No discussion. VOTE WAS TAKEN - ARTICLE PASSED (\$1,027,834.00).

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$70,000.00 for town road improvements and reconstruction. Selectmen favor. Motion was made by Gene Chandler, seconded by David Roode to accept the article as read. Chandler made a motion to amend the article to \$80,000.00, seconded by Roode. Chandler spoke to the amendment stating that due to the harsh winter that a lot of road damage has occurred and it is unknown how much more salt and sand will be needed and he wants to be sure that there is \$70,000.00 for the current year's road work. Ron Zager of Glen Ledge questioned the quality of the road repair done there last year. No further discussion. VOTE WAS TAKEN ON THE AMENDMENT = PASSED. VOTE WAS TAKEN ON THE ARTICLE AS AMENDED = PASSED (\$80,000.00).

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to hook up to the Lower Bartlett Water Precinct water line for water supply to the Town Hall and Town Garage. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard F. Patch, Sr. to accept the article as read. Chandler spoke to the article. Discussion ensued about annual fees, what is wrong with the current water and whether it has been tested. Motion was made and seconded to table the motion for another year. VOTE WAS TAKEN = FAILED. Tom Caughey, Lower Bartlett Water Precinct Commissioner, explained that the annual fee would be \$60.00/meter and \$1.50 per 1000 gallons of water used and that the town is not liable for the hookup fee but is responsible for the cost of hooking up from the main to the buildings. No further discussion. VOTE WAS TAKEN = Moderator Clark could not determine the outcome on a voice vote, asked for a standing vote (no count taken) and determined that the article PASSED (\$5,000.00).

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for its share of updating the Bartlett, Jackson, and Carroll County emergency communications system. Selectmen favor. Motion was made by Richard F. Patch, Sr., seconded by Gene Chandler to accept the article as read. Chandler spoke to the article. No discussion. VOTE WAS TAKEN = ARTICLE PASSED (\$5,000.00).

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of computer hardware and software for a municipal tax billing and accounting program for the Town Clerk/Tax Collector and Selectmen's Office. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard F. Patch, Sr. to accept the article as read. Chandler spoke to the article. Brief discussion of whether training was included in price (yes) and high price of software. No further discussion. VOTE WAS TAKEN = ARTICLE PASSED (\$20,000.00).

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$68,000.00 for the purchase of a two wheel drive diesel engine highway truck with a plow, frame, and an additional plow and frame; and authorize the withdrawal of \$25,000.00 from the Highway Equipment Capital Reserve Fund for this purpose; and to authorize the issuance of not more than \$43,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard F. Patch, Sr. to accept the article as read. Chandler spoke to the article explaining that the amount that will be borrowed may vary and will be determined at the time the tax rate is set. John Murphy asked why we are buying two plows. Chandler responded (jokingly) that there would be one for the front and one for the back of the truck; but then explained the second plow was for a different truck and replaced a plow that was at least 22 years old. VOTE WAS TAKEN = ARTICLE PASSED (\$68,000.00).

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the purchase and installation of a new 10 key diesel fuel pump at the Town Garage. Selectmen favor. Motion was made by Gene Chandler, seconded by Robert Jones to accept the article as read. Chandler spoke to the article stating it related to the installation of the new above ground fuel storage tanks last year and replacement of the current key system that is very old. William Fabrizio questioned if a 10 key system would be enough. Chandler stated that they investigated it and felt 10 was enough and this system would allow for the school to utilize the system if they wanted. No further discussion. VOTE WAS TAKEN = ARTICLE PASSED (\$4,500.00).

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 as Bartlett's share of a waste oil collection facility at the Bartlett Jackson Transfer Station. Selectmen favor. Motion was made by Gene Chandler, seconded by David Roode to accept the article as read. Chandler explained the article stating that it was a shared expense with the Town of Jackson. No discussion. VOTE WAS TAKEN = ARTICLE PASSED (\$2,000.00).

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for the construction of a roof over the handicap ramp at the Town Hall. Selectmen favor. Motion was made by Gene Chandler, seconded by David Roode to accept the article as read. Chandler explained the article stating that we had appropriated money before to get this done but put it out to bid late in the year and only got one bid to do it which the Selectmen were not comfortable with. No discussion. VOTE WAS TAKEN = PASSED (\$7,000.00).

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of four air packs and turnout gear for the Fire Dept. Selectmen favor. Motion was made by Robert Jones, seconded by Jim Clemons to accept the article as read. Gene Chandler spoke to the article. No discussion. VOTE WAS TAKEN = PASSED (\$15,000.00).

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$57,000.00, to be added to the existing \$67,000.00, for final closure of the old Garland Landfill. Selectmen favor. Motion was made by Gene Chandler, seconded by David Roode to accept the article as read. Chandler spoke to the article explaining that this should finally be the year of closure and reviewed status of closure plan. Ken Billings asked where the plans would be available for inspection; Chandler stated that he believes a copy will be available at Town Hall and the Library. No further discussion. VOTE WAS TAKEN = PASSED (\$57,000.00).

ARTICLE 14. To see if the Town will vote to approve the establishment of a Trust Fund entitled "Public Educational/Governmental Cable Television (PEG)" and direct that funds derived from the State Cable TV Franchise Fees be placed in the Fund to support the local PEG channel activities until rescinded by voter action. Trust funds, at the discretion of the Selectmen, shall be distributed to the nonprofit PEG organization, Valley Vision, to support the operations of the PEG chan-

nel for the benefit of the community. Agreeable to a petition signed by Peter Pelletier and others. Selectmen oppose - if passed approximately \$30,000 of town revenues would be lost to an unproven entity. Motion was made by John Murphy, seconded by Robert Jones to pass over this article. VOTE WAS TAKEN = PASSED OVER (No discussion, no action taken).

ARTICLE 15. To see if the Town will vote to turn over to the abutters that portion of frontage, with the minimum width acceptable to the Planning Board, off Rt. 16 at Intervale Lane travelling west at the north side of the railroad tracks per the survey prepared by Ammonoosuc Survey Company drawing #C-97-04 dated January 29, 1997. Agreeable to a petition signed by Terrie Kroger and others. Selectmen favor concept but Town should decide whether to receive payment for the land and Article should be amended to allow Selectmen to have some latitude due to the road right-of-way. Motion was made by Terrie Kroger, seconded by Gene Chandler to accept the article as read. Terrie Kroger explained the article. Gene Chandler made a motion, seconded by Richard F. Patch, Sr., to amend the article to add "and to allow the Selectmen to transfer all or a portion of said parcel to the petitioners at the Selectmen's discretion based on a review of the property lines and road rights-of-way". Chandler explained that the Selectmen were not opposed to this article but wanted some latitude in determining which portions are given to the abutters due to the need for proper road right-of-way area for plowing, utilities, etc. Kroger stated that she had no objection to the amendment. No further discussion. VOTE WAS TAKEN ON THE AMENDMENT = PASSED. VOTE WAS TAKEN ON THE ARTICLE AS AMENDED = PASSED.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the support of the Mount Washington Valley Economic Council. Agreeable to a petition signed by Joanne Campbell and others. Selectmen oppose. Motion was made by George Howard, seconded by Kathlyn Nealley to accept the article as read. Howard and Nealley spoke to the article. No discussion. VOTE WAS TAKEN = PASSED (\$1,500.00).

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to defray the expenses of the service programs and operating costs of the Mt. Washington Valley Chapter of the American Red Cross who takes our Cares and Concerns and puts it into Action. Agreeable to a petition signed by Cheryl Alander and others. Chandler/Patch oppose - not a proper use of town funds for national organizations; people

should have an individual choice concerning donations to charitable organizations/Roode favors. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$1,000.00).

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$500.00 for support of operating expenses of the Eastern Slope Regional Airport Authority. Selectmen favor. Motion was made by George Howard, seconded by Gene Chandler to accept the article as read. Howard spoke to the article and answered questions regarding its use by Bartlett and whether it is a private business (owned by Town of Fryeburg and leased to private organization). John Murphy expressed his opposition to it. No further discussion. VOTE WAS TAKEN = PASSED (\$500.00).

Moderator Clark took a break from the action to auction off some cakes for the benefit of the 8th Grade Class then proceeded with the rest of the articles.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$2,620.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Vicki Varrichione and others. Chandler opposes - Patch/Roode favor. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$2,620.00).

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$6,380.00 for the Children's Health Center. Agreeable to a petition signed by Prudence Plusch and others. Selectmen oppose - this is a \$1,045 increase over last year. Motion was made and seconded to accept the article as read. Some discussion on the reason for the increase which was attributed to more clients from Bartlett. No further discussion. VOTE WAS TAKEN = PASSED (\$6,380.00).

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$1,150.00 for the Early Intervention Program of Children Unlimited, Inc. (birth to 3 yrs.). Agreeable to a petition signed by Cheryl Moody and others. Chandler/Patch oppose - Roode favors. Motion was made and seconded to accept the article as read. Ken Billings questioned at what point does funding begin and end, that soon we would be taking care of them from pregnancy on. It was pointed out that pregnancy care would be coming later in Article 26. Vicki Varrichione and Terrie Kroger responded to other questions. No further discussion. VOTE WAS TAKEN = PASSED (\$1,150.00).

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$4,769.00 for the support of the Gibson Center for Senior Services. Agreeable to a petition signed by Richard Nealley and others. Selectmen favor last year's request of \$4,499. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$4,769.00).

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$900.00 for support of the Tri-County Community Action Program in North Conway. Agreeable to a petition signed by Charles Gothreau and others. Selectmen favor. Motion was made and seconded to accept the article as read. Eileen Langdon asked what the program does. Gene Chandler explained it was for fuel assistance and the weatherization program and one of the programs which is of most benefit to the town for welfare assistance. No further discussion. VOTE WAS TAKEN = PASSED (\$900.00).

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$2,326.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Terrie Kroger and others. Selectmen favor. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$2,326.00).

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$589.00 for the support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by Charles Gothreau and others. Selectmen favor. Motion was made and seconded to accept the article as read. Question was asked why the funding is so low. Karen Hebert responded that it is because they receive grant money and that they do not ask the County for money because they feel that is double dipping. No further discussion. VOTE WAS TAKEN = PASSED (\$589.00).

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$1,165.00 to assist the Family Heath Centre. Agreeable to a petition signed by Vicki Varrichione and others. Selectmen oppose. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$1,165.00).

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$1,105.00 for the Family Support Program of The Center of Hope. Agreeable to a petition signed by Susan Fox and others. Selectmen oppose. Motion was made and seconded

to accept the article as read. Ken Billings asked what the program was and, after no one spoke on behalf of the article, Vicki Varrichione got up and tried to explain the program. No further discussion. VOTE WAS TAKEN = PASSED (\$1,105.00).

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 as its share to participate in the Hazardous Waste Collection Day along with the Town of Conway. Selectmen favor. Motion was made and seconded to accept the article as read. No discussion. VOTE WAS TAKEN = PASSED (\$1,500.00).

ARTICLE 29. To transact any other business that may legally come before said meeting. Robert Jones asked about the status of the Railroad paying their property taxes and Selectman Gene Chandler explained that the taxes were currently unpaid and what both parties positions were on the issue.

John Murphy asked whether the town would spend all of the \$650,000.00 for the new fire station. Selectman Gene Chandler stated it would be close, expected to be at least \$630,000 with some furnishings still needed to purchase, and the amount listed as being expended in the Town Report only reflects the expenses thru 12/31/96. Murphy then asked about the offer from Attitash last year as part of the zoning amendment to give the town a fire truck or ladder truck. Chandler stated that the Selectmen never had a final offer but that we would not be liable if the building was built higher than the trucks we have and that the offer was not to buy a new ladder truck but to give money toward the purchase of a truck.

There being no further business, motion was made by William Fabrizio, seconded by Gene Chandler to adjourn. VOTE WAS TAKEN = ADJOURNED AT 8:24 PM.

Respectfully submitted,

LYNN P. JONES

Administrative Assistant to the Selectmen

LESLIE A. MALLETT

Town Clerk

VITAL STATISTICS

TO THE SELECTMEN - In compliance with an act of Legislature passed June session 1887, requiring clerks of towns and cities to furnish a transcript of the records of births, marriages, and deaths to the municipal officers for publication in the Annual Report, I hereby submit the following:

LESLIE A. MALLETT, Town Clerk

TOWN OF BARTLETT REGULATIONS

The Town of Bartlett Officials closely monitor compliance with the following ordinances, regulations, and by-laws. This list is provided to make people aware that these regulations exist and a summary of each regulation appears here. Complete descriptions may be obtained from the Selectmen's Office and any questions should be directed to that office.

WINTER PARKING ORDINANCE: prohibits parking on town streets between Nov. 1 and May 1 (24 hours a day). Violation = fine of up to \$50.00 plus towing charges.

SNOW PLOWING REGULATION: prohibits the plowing of snow into or across any town road.

EXCAVATION PERMIT REGULATION: requires permits to be acquired 24 hours prior to excavation in a town road. Violation - fine of \$100.00.

ILLEGAL DUMPING ORDINANCE: prohibits dumping and littering at other than in authorized areas at the Transfer Station. Violation - fine of \$100.00.

ALCOHOLIC BEVERAGE ORDINANCE: prohibits drinking of alcoholic beverages in public places. Violation - fine of \$25.00.

TEST PIT INSPECTION ORDINANCE: requires inspection of pits prior to application for State septic design approval. Fee of \$20.00 per pit dug.

SEPTIC SYSTEM DESIGN AND CONSTRUCTION ORDINANCE: governs the design and construction of septic systems and requires all septic system designs, prior to submission to the State, to be reviewed by the Selectmen's Office. Fee of \$50.00 per design.

BUILDING PERMIT ORDINANCE: required for construction valued at \$1,000 or more, AND/OR which would affect the assessed value of a property, AND/OR to which zoning requirements apply. Violation = fine of up to \$100/day.

PERMIT TO OCCUPY ORDINANCE: required prior to occupancy of any construction that is intended for habitation or for which a septic system is required. Violation = fine of up to \$100 and/or \$10/day each day of violation.

ZONING ORDINANCE: requires compliance with such items as signs, setbacks, density, green areas, frontage, permitted uses, etc.

FLOODPLAIN ORDINANCE: governs activity in the floodplain.

GRAVEL PIT ORDINANCE: governs excavation of gravel pits.

DOG LEASH BY-LAW: requires that all dogs be restrained by leash or under direct control of owner. Violation - fine of up to \$100 plus board reimbursement.

SPECIAL EVENTS ORDINANCE: regulates the conduct of special events. Violation = fine of up to \$300.

ELECTIONEERING ORDINANCE: eliminates all electioneering or signature gathering on Town or School owned property at any meetings or elections held within the Town of Bartlett.
